

TITLE:

The Polaris Network | Video Animator Intern (Remote)

Job Type: Internship

Location: Los Angeles, CA

SUMMARY:

The Polaris Network is launching an exciting, new slate of theatrical podcasts and is seeking talented animation interns with strong artistic sensibilities, robust technical skills, and strong work ethic. This is an opportunity to be on the ground floor of an exciting, new, online media network for a cross-cultural audience.

The Polaris Network is seeking a Video Animator Intern who will be responsible for generating high quality character, creature, and/or object animations for theatrical podcasts and promotional videos. Video Animator Intern will be an outstanding visual storyteller who can communicate effectively through visuals.

The ideal candidate is a talented, creative, technical, highly self-motivated, and enthusiastic individual who is interested in playing an integral role in helping shape, grow and execute the animation content. They must be a self-starter who is interested in gaining hands-on video animation experience. This is an unpaid internship and candidates have the option of receiving college credit or experience.

RESPONSIBILITIES:

- Edit video for multiple platforms: YouTube, Instagram, and Facebook
- Understand the unique story arcs and brand voice for the show assigned
- Animating titles and motion graphic elements
- Communicate with producers to produce the vision for the show
- Sourcing and researching footage and audio clips for projects
- Creating, revising, and maintaining projects and templates
- Thrive in a fast-paced environment
- Work remotely

QUALIFICATIONS:

- A passion for media and content creation
- Strong skills in After Effects, flash, or 3D Studio Max, Video Editing (Premiere)
- Experience with the Adobe Creative Suite (especially InDesign, Photoshop, and Illustrator)
- Comfortable working in a startup environment
- Animation skills in software of your choice
- Creative thinker and problem solver
- Knowledge of design fundamentals and principles
- Motivation and passion

- Access to high-speed internet
- Access to efficient hardware
- Experience with visual effects, sound editing, and graphic design
- Experience in YouTube, podcasts, television, or live streaming
- A self-starter mentality. You must be able to work without micromanagement
- No problem meeting deadlines and handling revisions
- A positive attitude and an eagerness to learn

REQUIREMENTS:

- All candidates must be eligible to work in the US
- All candidates must be at least 18 years old
- All candidates desiring to receive college credit must currently be enrolled in an accredited college or university and take at least one class – OR – be a recent graduate of an accredited college or university within the last 18 months in order to qualify for this internship
- All candidates must be able to have a consistent, reliable work schedule throughout the session
- This will be an unpaid internship and will be fully remote
- All candidates must be willing to work 15 hours/week

LIFE AT THE POLARIS NETWORK:

At The Polaris Network, we believe our work benefits from the diverse perspectives of our team. As such, The Polaris Network celebrates inclusion and is committed to equal opportunity employment. At The Polaris Network, you can expect:

- A supportive, inclusive atmosphere on a team that values your contributions
